Fawqa kuthbani ar-rimali adh-dhahabiyyah...

Tawassa’a Zayed as-saghiru yarqubu ghuroob ash-shams...

Wa tahta ar-ramli lama’at bawsalatun min dhahabin safin...

Tafuqu fee sihriha kulla hulmin jameel!

Across the golden dunes where warm winds blow,

Young Zayed watched the desert sunset glow.

Beneath the sand, a golden compass gleamed,

More magical than anything he’d dreamed!

ASTRONAUT ALI'S DESERT ADVENTURE

Under a blanket of stars, Ali the brave astronaut explorer landed softly on the magical dunes. He smiled as he greeted his new friend, a baby golden falcon.

"Together," Ali whispered, 'we will discover the wonders of this sparkly world!"

تَحْتَ غِطاءِ النُّجُومِ، هَبَطَ الْفَضائِيُّ الشُّجاعُ عَلِيٌّ بِلُطْفٍ عَلى الْكُثْبانِ السَّاحِرَةِ.

ابْتَسَمَ وَهُوَ يُحَيِّي صَدِيقَهُ الْجَدِيد، صَقْرًا ذَهَبِيًّا صَغِيرًا.

"مَعًا،" هَمَسَ عَلِيٌّ، "سَنَكْتَشِفُ عَجائِبَ هَذا الْعالَمِ الْمُلْأَلِئِ!"

Hamasati al-bawsalatu wa asharat ila sakhratin fil-mada...

Haythu jalasa saqrun sagheerun yabhathu ’an al-huda...

Kana janahuhu adh-dhahabiyyu ’aliqan bayna al-aghsaan...

Fabtasama Zayedun qa’ilan: La takhaf, fa ana ’awnuka!

The compass hummed and pointed to a stone,

Where sat a tiny falcon, all alone.

Its golden wing was caught in desert vine,

Zayed gently smiled and said: "Your wing is fine!"

With wings now free, the falcon leaped so high,
Inviting Zayed to watch the starry sky.

Above the glowing oasis they took flight,
Where shining domes lit up the peaceful night!

"True courage is not having no fear,"
"it is choosing kindness when someone needs a helping hand."
